OGDEN, UTAH, JAN. 13, 1903.

SESSION OF CITY COUNCIL.

Affairs of Weber County—New Hooper Bridge Ordered—Treasurer's Bonds.

Business of the District Court Before Judge Holapp—Burgin-Con Wedding.

In the district court before Judge Holapp yesterday, Richard Platt, heretofore convicted of forgery, appeared for trial. His counsel, Attorney Bagley and Marshall, argued at length that the plaintiff had no right to sentence on the case on this day, as on March 12, 1902, the passing of sentence was suspended, and the date for sentence was continued to the date for sentence on Feb. 5, 1903.

Samuel Spears having been found guilty of assault, was sentenced to 10 days in the county jail.

The hearing of the case of State vs. David A. Johnson, was continued for the turn on motion of the district attorney.

The trial of the case of Mary W. Winslow against the Ogden Rapid Transit company was set for Feb. 5, before Judge C. H. Hart.

In the case of N. E. Coston against Howell Evans, judgment was entered in favor of plaintiff as prayed for.

The hearing was begun of the case of Joe Smith against the Union Pacific Railroad company, suit brought to recover \$45,150, alleged to be due for injuries sustained by plaintiff on account of the negligence and carelessness of the defendant company. The prosecution of the case was taken up by Henderson & Macmillan and the defendant, by Le Grande Young.

The testimony of the prosecution is to the effect that the plaintiff bought a ticket from Ogden to Peterburg, Utah, on July 8, 1902, that plaintiff while passing from one passenger coach to another at the direction of defendant's employees, fell from the train and was injured, and that the plaintiff returned to Ogden the next day, and by reason of said negligence on part of defendant plaintiff suffered great pain and injury. The hearing was not completed this evening.

Suit has been filed in the Second district court by Samuel Perrin against Fred Cutler and Eliza Warren for recovery of \$100,000, alleged to be due for injuries sustained by plaintiff on account of the negligence and carelessness of the defendant company. The prosecution of the case was taken up by Henderson & Macmillan and the defendant, by Le Grande Young.

ers, as the city of Richfield is out of debt.

Smallpox and other troubles are prevailing and the primary departments of the schools were dismissed this morning and if there is an increase all public gatherings will be prohibited.

An electric light and power plant is talked of and it is proposed to put in steam power. But this will be found too expensive when water power can be obtained. An ideal power for a small plant could be had at Glenwood, five miles from Richfield.

The infant school and electric lights Richfield should become the most desirable residence town and business point south of Salt Lake in Utah.

EUREKA.
LITTLE CHILD BURNED.
Services in New Church—New Arrivals—Short Line Physician.

Special Correspondence.
Eureka, Jan. 12.—Preparations are being made for the Eureka ward to hold services in the new church in a few weeks. Many members will leave the old meetinghouse with regret, as it is dear to the hearts of all the old "Mormons" of Eureka, but the increase in the size of the congregation makes removal to the new church imperative.

Mrs. S. J. Towson, physician in charge at the Tintic hospital at Robinson, has been appointed surgeon for the Oregon Short Line railway at that end of Tintic district.

The infant child of Joseph Brooks of Diamond died on Jan. 8, and the little one was buried at Benjamin, Utah.

LITTLE ONE BURNED.
The 15-month-old child of D. Knott of Robinson fell from a chair and struck on a stove, upsetting it, and cutting a large and deep gash in the forehead, besides sustaining several severe burns.

Dr. S. J. Towson, physician in charge at the Tintic hospital at Robinson, has been appointed surgeon for the Oregon Short Line railway at that end of Tintic district.

SALINA.
ANTICIPATE A BOOM.
Water Works and Other Town Improvements Greatly Needed.

Special Correspondence.
Salina, Sevier Co., Jan. 12.—Everywhere in the present Utah, there is a rumor that there will be a boom in the Salina branch in a few weeks. There is no likelihood that the railroad company will allow the 20 miles of excellent grade to be unused. The grade up Salina canyon is one of the best ever built.

The citizens of Salina expect much from this railroad construction. But before the town can take its place among modern municipalities many improvements must be made. The well water of the town is bad but the water up the canyon is fairly good and could be piped successfully by the construction of a proper system of reservoirs or settling tanks. Water power can be developed within three miles of the town that would give the town electric lights and power to run such plants as would require it. A move has been on foot to develop this power. With waterworks and electric lights there is no reason why Salina should not grow to be a place of some importance commercially, as it has natural facilities, that are of permanent value. Nearly all the salt deposits are now removed. Some of these properties are being improved and excellent beds of the finest rock salt are being uncovered.

Stock buyers are here and some of the surplus stock is being made ready to ship. Everybody is putting up for next summer.

SMALLPOX CLOSES SCHOOLS.
On account of the smallpox situation the schools of Salina are closed. It is feared that smallpox will become epidemic in this town and that it will be at least a month before the schools can resume. The spread of smallpox is the result of carelessness or criminal recklessness on the part of those afflicted and a lax of quarantine.

CANAL COMPANY ELECTION.
The Gunnison Highland Canal company held its regular annual meeting last Monday, in the R. S. Hall. In the election of officers for the ensuing year some opposition was met.

RICHFIELD.
WORK ON WATER SYSTEM.
Need of Electric Light and Power Plant.

Special Correspondence.
Richfield, Sevier Co., Jan. 12.—A great crowd left Richfield to attend the performance of "Corlinton" at Mt. Pleasant, filling two cars. The author of Corlinton is a native of Richfield, therefore the interest taken in the play here.

The preliminary surveys are completed and the engineer is completing his plans for the water system. The bonds have not been floated, but no difficulty is anticipated in getting purchases.

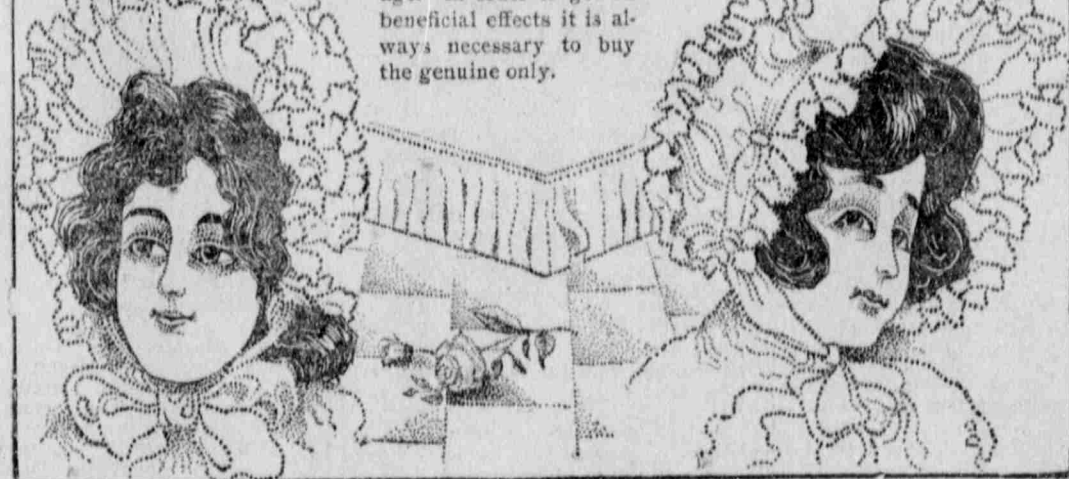

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—

CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.

OUR NEIGHBORS.

BLACKFOOT, IDAHO.

SHERIFF DAVIS DISAPPEARS.

Alleged Shortage of \$4,300 in His Accounts.

Special Correspondence.
Blackfoot, Bingham Co., Ida., Jan. 12. James Davis, who has been sheriff of this county for the past two years has been missing for about two weeks and it developed today that he had left the county because he was short in his office accounts some \$4,300 and could not face the consequences.

Deputy Sheriff Storrs has received a letter from Mr. Davis, mailed on a train somewhere in Washington, which tells the story of the sheriff's troubles. The sheriff states in his letter that he had overreached himself in his business affairs and appropriated county funds in the hope of making good before his term expired, and that failing to do so he fled the country.

Davis' term of office expired today. He owns a general merchandise store at Swan valley and a ranch and other property there. Though slightly embarrassed, his friends believe that he could have easily raised the amount of his shortage. As he is a man of good habits and does not gamble his friends believe his flight is due to mental derangement.

Unconscious From Cramp.
During the sudden and terrible attack of cramp our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, LaGrippe, and all Throat and Lung troubles. One Minute Cough Cure loosens in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. Z. C. M. I. Drug Store, 112-114 Main St.
